

Rescuing and redistributing food **6 days a week** to reduce the foodprint and feed the community

### Supporting 75 Charities

### Supplied by 43 Food Donors

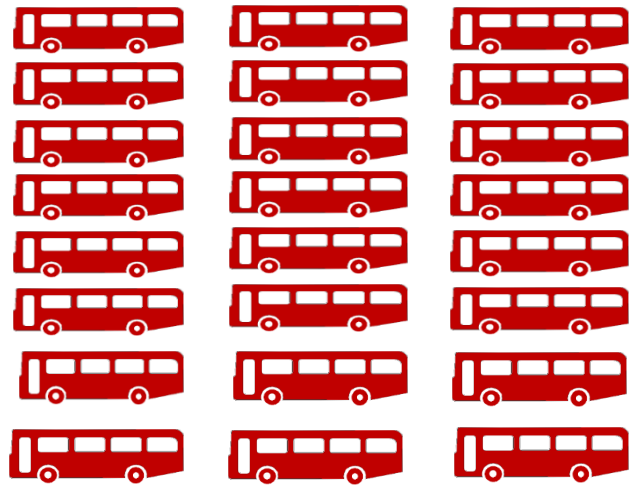

From Thames to Te Kuiti, Raglan to Cambridge, we distribute food across the region

# 244,134 KG

Of food rescued so far

That's the weight of **24** Hamilton City Council Buses!

### What?

37% Produce

28% Bread

26% Other

4% Bakery

1% Ready Meals

1% Meat

1% Sandwiches

1% Dairy

Redistributing food that is **good enough**

**to eat**, but not good

**enough to sell**, reduces strain on landfills & provides a sustainable solution for managing food surplus

We currently rescue **15,000 kg** of food each month

Which equals **42,857 monthly** meals

And a **monthly reduction of 28,500.00 kg** in greenhouse gas emissions (CO2 equivalent (CO2-e)).

Which is the equivalent in greenhouse gas emissions of using over **6.8 years of electricity** for a household!

# 6 DAYS A WEEK
