

Rescuing and redistributing edible food **6 days a week** to reduce the foodprint and feed the community

Supporting 62 Charities

Supplied by 34 Food Donors

From Thames to Te Kuiti, Raglan to Cambridge, we distribute food across the region

350,066 KG

of food redistributed so far

That's the weight of over **35** Hamilton City Council Buses!

What?

37% Produce

28% Bread

26% Other

4% Bakery

1% Ready Meals

1% Meat

1% Sandwiches

1% Dairy

Redistributing food that is **good enough**

to eat, but not good enough to sell, **reduces** strain on landfills & provides a sustainable solution for managing food surplus

Average of **15,000kg or more** of food redistributed each month

The equivalent of more than **48,571 monthly** meals

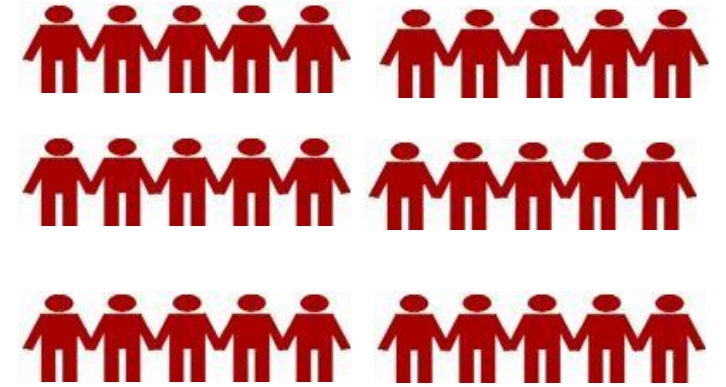

Average **monthly reduction of 32,300 kg** in greenhouse gas emissions (CO2 equivalent (CO2-e)).*

*<https://watchmywaste.com.au/food-waste-greenhouse-gas-calculator/>

Which is the equivalent in greenhouse gas emissions of using over **7.9 years of electricity** for a household!

6 DAYS A WEEK

A team of over **30** volunteers
